With all but three titles on Hot Digital Songs posting sales gains, band's title shows the best improvement (up by 26,000).

Act's fifth consecutive top 10 at Modern Rock gains most spins on that chart as it rises 9-6 (up 168 plays).

With 6-5 move on Adult Top 40 chart, Thomas ties John Mayer for most top five hits by a male artist. His band Matchbox Twenty holds the chart's overall mark with nine top fives.

Growth at top 40 radio and a new weekly high in digital sales (23,000, but not enough to bullet on a high-volume Digital Songs chart) pushes song to new Hot 100 peak.

YULE WEEK LIFTS DIGITAL SALES

While Christmas week brings a year's biggest album volume, the relatively short history of digital tracks tells us the post-holiday week is when the most transactions take place. That said, digital volume for Christmas week 2006 was up 23% from last issue to 14.5 million overall, the highest one-week total since a record 19.9 million tracks were sold in the post-holiday week of 2005 (see story, page 10).

The 23% week-to-week gain mirrors the 24% spike that took place in the 2005 Christmas frame. That sets the stage for a new record, as last year's post-holiday week jumped by 108%. The All-American Rejects (up 26,000 downloads) are the biggest digital beneficiaries, moving 18-11 on The Billboard Hot 100. —*Silvio Pietroluongo*

Former No. 1 at Modern Rock matches its prior Hot 100 peak with best audience yet on Pop 100 Airplay chart (No. 21, 16.6 million impressions) and a 190% gain in digital sales.

With all the holly jolly holiday songs out of the way, Snow Patrol and Mayer finally guide their songs into the Adult Contemporary chart's top 10.

In what has become a post-Christmas trend, the return of nonholiday songs to AC stations' playlists results in one of that format's top songs taking Greatest Gainer/Airplay honors.

Singer's show-stopper from "Dreamgirls" joins co-star Beyoncé's soundtrack single (No. 70) on the Hot 100.

FERGIE TOPS PEAK DIGITAL WEEK

In a week of unprecedented digital sales (see story, page 6), Fergie's "Fergalicious" stands out from the pack as it returns to the No. 1 slot on Hot Digital Songs with a record-breaking 295,000 downloads.

That bests the one-week standard of 265,000 previously set by Shakira Featuring Wyclef Jean's "Hips Don't Lie" in the June 17, 2006, issue. "Fergalicious" also climbs into the top spot on the Pop 100 for the first time, making Fergie the first female to score back-to-back No. 1s on that list.

Every title on the Hot Digital Songs chart posted significant sales increases, with only five songs failing to double last week's sales totals. —*Silvio Pietroluongo*

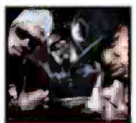
Track is Texas band's second straight top 20 hit on the Adult Top 40 chart.

With digital sales down 28% after last week's record volume, every title from last issue's Hot Digital Songs posts a decline, precluding a Hot 100 Greatest Gainer/Digital award.



Academy Award-winning rap trio takes top debut with track from April release "Last 2 Walk." Act also stars in new MTV reality series "Adventures in Hollyhood," premiering March 14.

Nearly one year after "Stupid Girls" peaked at No. 13, singer is back with another track from her "I'm Not Dead" album.

Tennessee native is poised for his second straight Hot Country Songs chart-topper as track stands by at No. 2 for a second week.

BEYONCÉ FINDS HER BEST AUDIENCE

Beyoncé makes it a half-dozen weeks at No. 1 on The Billboard Hot 100 as "Irreplaceable" ups its audience total to 196.3 million listener impressions.

It's the best audience week of her career (with or without Destiny's Child) and is the second-best total among all songs in the chart's history. Mariah Carey's "We Belong Together" posted six weeks with a better audience sum, culminating in 212 million impressions in the July 9, 2005, issue.

With 28 weeks at No. 1 as a soloist, Beyoncé is tops among female artists this decade, increasing her lead over Carey by 11 weeks.—*Silvio Pietroluongo*

Red Hot Chili Peppers, at No. 33 on this chart, become the second act to twice top the Modern Rock chart with three songs from an album. Green Day is the other.

Song from Disney's "Jump In!" soundtrack will also appear on the 15-year-old's debut album due Feb. 6.

"High School Musical" star previews her debut album, "Headstrong," which also hits retail on Feb. 6.

Singer has his fastest-climbing single yet as track gains 15 million listener impressions.

Stefani's song at No. 31 is one of only three non-debuting titles to post a sales increase (up 11,000 downloads) on Hot Digital Songs.

TIMBERLAKE TAKES THREE

Justin Timberlake becomes the first lead artist in almost two years to place three songs within the top 20 of The Billboard Hot 100. "What Goes Around . . . Comes Around" climbs 21-12 and joins former No. 1 tracks "My Love" (No. 8) and "SexyBack" (No. 16) in the upper fifth of the chart. The song makes similar strides on Hot 100 Airplay (20-13) and Hot Digital Songs (26-14).

50 Cent was the last lead artist to hit this top 20 trifecta when he charted with "Just a Lil Bit" (No. 5), "Candy Shop" (No. 10) and "Disco Inferno" (No. 20) in the May 21, 2005, issue.

Aside from its fast start on this chart, the track soars 86-1 on the Pop 100.

Song also moves into the top 10 of the Adult Top 40 chart (13-10), where it is the youngest title in that list's top 20 (eight weeks).

Disney Channel star leaps onto the chart with track from the network's smash movie "Jump In!" Enters Hot Digital Songs at No. 5 with 77,000 downloads.

Song by Russian-born, New York-raised Regina Spektor re-enters at No. 58 as it enjoys a 129% gain on Hot Digital Songs (No. 36, 27,500 downloads), thanks to airplay in Jan. 18 episode of "Grey's Anatomy."

Lumidee, who peaked at No. 3 with "Never Leave You" in 2003, returns at No. 89 with a reworking of Patrick Swayze's No. 3 hit from 1988.

FALL OUT BOY'S 'RACE' STARTS FAST

Fall Out Boy's "This Ain't a Scene, It's an Arms Race" moves 162,000 downloads three weeks before the band's new album reaches retail. It is the largest opening-week tally for a group since Nielsen SoundScan began tracking digital sales in 2003. "Race" cops the Hot Shot Debut at No. 2 on The Billboard Hot 100, the highest bow for a band since radio-only titles joined the chart in December 1998. The last group to start as well or better: Aerosmith's "I Don't Want to Miss a Thing," which bowed at No. 1 under the Hot 100's previous rules in the Sept. 5, 1998, issue. —*Silvio Pietroluongo*

Song becomes her second to hit No. 1 on Pop 100 chart.

KT Tunstall's song at No. 21 sets the mark for longest climb, 29 weeks, to the top 10 of Hot Digital Songs.

U.K. singer gets her start in the States with song that topped the chart in her homeland.

While band climbs with its latest hit, last single "The Kill (Bury Me)" spends a record 50th week on Modern Rock list.

Group is the first act this year to simultaneously place two songs in Modern Rock's top 10.

DIGITAL SALES PUSH PRETTY RICKY

"On the Hotline" by Pretty Ricky skyrockets 72-12 on The Billboard Hot 100, aided by a No. 12 debut on Hot Digital Songs (50,000 downloads). The track was held from digital release so it could hit the market with album "Late Night Special," which bows atop The Billboard 200 and Top R&B/Hip-Hop Albums.

"Hotline" is the quartet's third straight title to reach the top 15 on the Hot 100 and its second top 10 on Hot R&B/Hip-Hop Songs (13-10). Pretty Ricky first hit in 2005 with debut single "Grind With Me," which reached No. 7 on the Hot 100 and No. 6 on Hot R&B/Hip-Hop Songs. —*Gary Trust*

DISNEYFICATION OF THE HOT 100

New Jersey teen trio Jonas Brothers take Hot Shot Debut honors on The Billboard Hot 100 at No. 40 with "Year 3000," which also opens strongly on Hot Digital Songs (No. 20, 36,000 sold).

Signed to Hollywood, with a new album due in July, the act's song originates from an August 2006 Columbia release.

The video for "Year 3000" debuted Jan. 26 on Hollywood's sister outlet Disney Channel. The tune is the third most-played song on Radio Disney. Jonas Brothers are one of five acts with Disney Channel ties residing on the Hot 100 (along with Nos. 56, 67, 95 and 96).

Act scores its first top 10 with song that samples Supertramp's "Breakfast in America," the title track to that band's 1979 multiplatinum album.

Singer earns her third top 10 in just six months, equaling the top 10s that her group, the Black Eyed Peas, amassed in six years of charting.

After taking home two Grammy Awards, track marks his first No. 1 on the Adult Contemporary chart.

Sheryl Crow enters at No. 78 with song featured in her Super Bowl ad for Revlon. Net proceeds of iTunes exclusive benefit fight against breast cancer.

Mims' track at No. 46 is top airplay gainer for a second straight week, moving 21-11 on Hot 100 Airplay.

FURTADO 'RIGHT' AT HOME AT NO. 1

It took nearly five years for Nelly Furtado to return to The Billboard Hot 100 after starting her career with back-to-back top 10s in 2001. Now six months after comeback smash "Promiscuous" clocked six weeks at No. 1, she reclaims the chart's peak with "Say It Right."

The track moves 5-4 on Hot 100 Airplay with a 5% audience impressions increase while reversing those ranks on Hot Digital Songs despite a 3% sales bump.

"Right" replaces Beyoncé's "Irreplaceable," which spent a lengthy 10 weeks at No. 1, the most since Kanye West's "Gold Digger" started a 10-week run in November 2005. —*Silvio Pietroluongo*

Multiple appearances on the Grammy Awards and a "SNL" rerun lead JT's song to a whopping 143% sales gain (9-1) on Hot Digital Songs.

Up 82-74 on the Hot 100, "Wasted" shoots 11-10 on Hot Country Songs, making Carrie Underwood the first female to reach the Country top 10 with four tracks from a debut album since Gretchen Wilson in 2005.

Zipping 11-5, Akon collects his fourth top five hit since October, including his appearance on Gwen Stefani's latest (No. 6).

At No. 75, Glasgow, Scotland, trio debuts with song that gained widespread exposure in iPod TV ads.

GRAMMYS BRING CHICKS 'NICE' RISE

More than five months after Dixie Chicks' "Not Ready to Make Nice" ended a 20-week run on The Billboard Hot 100, it returns to the list at a new peak (No. 4) thanks to the digital aftermath of their five Grammy Awards.

The song and record of the year winner moves 43-2 on Hot Digital Songs (120,000, up 410%) in the full week following the Grammys. A reactionary sales spike for an older title would not usually entitle a Hot 100 re-entry, but in this case, "Nice" recently charted at Adult Top 40 (at No. 38) and is being actively reworked to adult formats. —*Silvio Pietroluongo*

Return to top five fueled by 22-13 rise on Hot 100 Airplay. Climbs 8-4 on Pop 100 Airplay.

Renewed interest at top 40 radio leads to chart-best 54% increase on Pop 100 Airplay (43-34).

Houston rapper previews next album with highest debut yet as a lead artist. "Get Money Stay True" set is due in April.

After Grammy sweep led to a No. 4 Hot 100 re-entry last week, digital sales decrease by 61% (120,000 to 46,000).

Thirteen-year-old star of new movie "Bridge to Terabithia" enjoys first chart appearance with song from the film's soundtrack.

MIMS PUTS THE 'HOT' INTO HOT 100

"This Is Why I'm Hot" by Mims explodes 32-1 on The Billboard Hot 100, as it bows atop Hot Digital Songs (135,000 downloads). "Hot" is Capitol's first No. 1 since "How Do You Talk to an Angel" by TV act the Heights in November 1992. Mims' 31-position leap to the top is the third-largest in Hot 100 history, trailing only Kelly Clarkson's "A Moment Like This" (52-1) in 2002 and Rihanna's "SOS" (34-1) last May. Rihanna also makes noise, as "Break It Off," with Sean Paul, flies 52-10 (No. 8 on Digital Songs, 73,000 sold). Release was held up as the artists' labels negotiated rights.

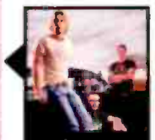
"American Idol" finalist makes his debut with track that sells 26,000 downloads. "Wait for You," also from his soon to be released album, picks up major-market radio play.

Song moves to the top of Hot 100 Airplay with 107.8 million listener impressions, the lowest total on that chart since September.



Band's fourth top 10 on the Adult Top 40 chart from its latest album. Only four other albums in the 11-year history of the list equaled that output.

Band failed to chart on Hot 100 with studio version of this track, which hit Modern Rock's top 10 in 1999.

Temporary removal of Fergie's "Glamorous" from iTunes and its subsequent return explain track's yo-yo chart movement the past few weeks (9-33-55-8).

LAVIGNE SEES CAREER-BEST DEBUT

Avril Lavigne previews her April 17 album "Best Damn Thing" with "Girlfriend," debuting at a career-high No. 5 on The Billboard Hot 100.

Her prior top song belonged to "Keep Holding On," from the "Eragon" soundtrack, which started at No. 21—and peaked at No. 17—in December. That song rebounds 39-26 on this week's list.

"Girlfriend" sells 122,000 downloads to debut at No. 3 on Hot Digital Songs, impressive considering the track is just starting to garner radio play. The title was recently the top streamed song on AOL, and the video has been a mainstay on MTV's "TRL" countdown since its Feb. 26 debut. —*Silvio Pietroluongo*

Track takes Greatest Gainer/Airplay tag for a third straight week (up 9 million audience impressions).

Digital sales nearly triple (to 16,000) and should keep climbing next issue when album makes its Billboard 200 debut.

In its fourth week at No. 1 on the Adult Contemporary chart, song sets one-week spins mark at the format with 2,141 plays.

Third single from "Back to Basics," and second straight one co-written with Linda Perry, makes another impressive leap.

Youngster's debut album resides in top 30 (No. 28) of Billboard 200 for a second straight week, which is its best showing since its No. 19 debut in November.

'GLAM' SLAM FOR FERGIE

Fergie scores the second No. 1 on The Billboard Hot 100 from her debut solo album "The Dutchess" as "Glamorous" scoots 8-1.

The track moves 166,000 downloads to also grab the top spot on Hot Digital Songs. It's Fergie's third straight No. 1 on that list, following "London Bridge" (which also topped the Hot 100) and "Fergalicious" (which holds the one-week sales record of 295,000 downloads).

With three No. 1s on Hot Digital Songs to her credit since the chart's launch in February 2005, Fergie is tops among females, and she matches Eminem and Justin Timberlake for most No. 1s overall. —*Silvio Pietroluongo*

Album release spurs title's increase on Hot Digital Songs (54-6, 85,000 downloads), which results in impressive jump here.

Act is enjoying best chart stretch of its career as song moves closer to becoming its fourth straight No. 1 at Modern Rock (5-4).

Although combined for chart purposes, R. Kelly's version is outselling the Bow Wow-credited digital track by almost 15-to-1 margin.

Brit sensation starts her Hot 100 career with simultaneous debuts, a rarity on this chart for singers outside of "American Idol" or Disney Channel.

Song takes 22 weeks to top Modern Rock after band's last single stalled at No. 3 while setting mark for most weeks on chart (52).

DIGITAL SALES GIVE DUFF 'LOVE'

Hilary Duff wins The Billboard Hot 100 Hot Shot Debut as "With Love," the lead single from upcoming album "Dignity," comes in at No. 42. The track is her second straight song to enter the chart inside the top 50 following "Wake Up," which debuted at No. 29 in the Sept. 3, 2005 issue.

Like "Wake Up," digital sales propel the debut of "Love." It moved 32,500 downloads for a No. 25 arrival on Hot Digital Songs. That exceeds the 28,500 tally that lifted "Wake" to No. 6 on the Digital chart, illustrating the fast maturation of the download market.

Michael Bublé's "Everything" notches chart's Hot Shot Debut at No. 46, giving the crooner his best ever Hot 100 ranking.

Album's No. 1 debut spurs title's resurgence on Hot Digital Songs (re-entry at No. 57, up 100%). Song also returns to No. 5 peak on Modern Rock chart.

Increased spins at top 40 stations for Omarion's song at No. 13 lifts it to new peak on Hot 100 Airplay (No. 4).

MTV's "The Hills" spurs 37-18 jump on Hot Digital Songs (40,000 downloads, up 60%).

While singer's current song hits a new peak at No. 19, radio track that preceded it enters list thanks to digital activity spurred in part by its use in spots for ABC's "October Road."

AKON DRAWS SECOND HOT 100 ACE

Akon crowns The Billboard Hot 100 with a second track from his multiplatinum "Konvicted" set, as "Don't Matter" marches 3-1. The song follows "I Wanna Love You," which held No. 1 for two weeks in December.

Another track from the album, "Smack That," peaked at No. 2 in November after making what was then the largest jump in the history of the Hot 100 (see Hot Box, page 39).

"Matter" wins its fifth straight Greatest Gainer/Airplay trophy, adding another 10 million listener impressions (119 million overall). It holds at No. 3 on Hot Digital Songs.

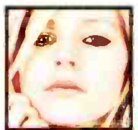
After her "American Idol" performance, song flies 7-1 on Hot Digital Songs (140,200 downloads, up 67%) and rises to the top of both Pop 100 and Pop 100 Airplay.

Title sets record by a solo country male on Hot Digital Songs for highest debut (No. 9) and highest sales sum (56,500 downloads). Also marks first since Garth Brooks' (as Chris Gaines) "Lost in You" in 1999 to reach the top 15 on the Hot 100.

Strong box-office start for futuristic flick "Meet the Robinsons" sparks soundtrack single, which moves 9,800 downloads and continues its climb at adult top 40 radio (9-8).



Avril Lavigne returns "Girlfriend" to its highest position yet (No. 5) with a 5-2 advance on Hot Digital Songs (124,200 sold) and 24-16 [illegible]

PAISLEY PARKS 'TICKS' IN TOP 40

"Ticks," the humorous first single from Brad Paisley's June 19 album "5th Gear," scores Hot Shot Debut honors on The Billboard Hot 100, arriving at No. 40.

The track enters Hot Digital Songs at No. 34 (25,900 downloads) and rises 75-63 on Hot 100 Airplay, fueled by its 17-14 lift on Hot Country Songs.

"Ticks" marks the highest debut by a solo country male since Lee Greenwood's "God Bless the USA" began at No. 16 in September 2001. Paisley's title is also the first by any country act to bow in the Hot 100's top 40 since "Not Ready to Make Nice" by the Dixie Chicks entered at No. 28 last May. *—Gary Trust*

Album release pushes digital sales up 94% (to 57,500 downloads) and into top 10 of Hot Digital Songs (24-10).

Song is just the third this decade to reach the top 15 of the Adult Top 40 chart in two weeks or less (21-11).

SALES 'GIVE' NO. 1 TO TIMBALAND

Timbaland takes the second-biggest leap to No. 1 in the history of The Billboard Hot 100 as "Give It to Me," featuring Nelly Furtado and Justin Timberlake, rises 42-1. Only Kelly Clarkson's "A Moment Like This," with a 52-1 jump in the Oct. 5, 2002, issue, made a bigger move to the top.

Withheld from the digital market until Timbaland's album release, it debuts at No. 1 on Hot Digital Songs with 248,000 downloads. Only Timberlake, whose "SexyBack" debuted at the top of that list with 250,000 downloads in the Sept. 9, 2006, issue, has had a better opening week. —*Silvio Pietroluongo*

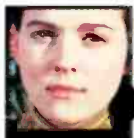
Song that has resided in the top 10 during each of its seven chart weeks moves up to a new peak.

Song finally hits top 15 in its 33rd week on the chart, the slowest climb to this level in the history of the Hot 100.



Digital sales improve more than six times over prior-week sales after song was featured in video in "Grey's Anatomy" highlights show April 12.

Superstar's 15th chart entry as a lead artist is her first sung in Spanish and her first title on the list since the spring of 2005.

Fall Out Boy claims its second straight Hot Shot Debut from "Infinity on High" set at No. 67, though that is significantly lower than the No. 2 start for its first single, now No. 38.

T-PAIN FEELS NO PAIN IN TOP 10

T-Pain moves 10-7 on The Billboard Hot 100 as "Buy U a Drank (Shawty Snappin')" takes dual honors of Greatest Gainer/Digital and Airplay. It's the first song to earn the double award since "Irreplaceable" by Beyoncé in the Dec. 2, 2006, issue.

This extends T-Pain's career-starting streak of top 10s to three. The Tallahassee, Fla., native moves into the top 10 on the Hot 100 Airplay and Hot Digital Songs charts. "Drank," featuring Yung Joc, jumps 13-7 on the former (up 12 million listener impressions) and 12-8 on the latter (up 42% to 76,000). —*Silvio Pietroluongo*

He is the first artist since 50 Cent in May 2005 to simultaneously place three songs in the top 10.

Singer returns to top 10 for the first time since 2002's "Just Like a Pill."

Fergie takes the Hot Shot Debut at No. 41 with song performed on April 18 edition of "American Idol." Exposure leads to sales of 35,500 downloads and a No. 21 entry on Hot Digital Songs.

Song is joined in Modern Rock top 10 by Plain White T's' "Hey There Delilah" (No. 53 on this list), giving Hollywood Records two top 10s on that chart for the first time in its 16-year existence.

Title moves into top 10 of Hot 100 Airplay (11-10). Expect big move on this list next issue as long-awaited digital release occurred April 24.

AVRIL ACES HOT 100

Avril Lavigne reaches the summit of The Billboard Hot 100 for the first time in her career as "Girlfriend" rises 3-1, pushed to the top by its No. 1 ranking on Hot Digital Songs (156,500 downloads). The song is her fifth top 10 and best showing since her debut single, "Complicated," peaked at No. 2 in the Aug. 3, 2002, issue.

"Girlfriend" moves to the top of the Hot 100 in the same week that Lavigne's album "The Best Damn Thing" enters The Billboard 200 at No. 1. She is the first artist to simultaneously have the top slot on both charts since Nelly Furtado ("Promiscuous" and "Loose") in the July 8, 2006, issue. —*Silvio Pietroluongo*

Former "American Idol" winners give chart its first simultaneous top 10 debuts since 2003 "A.I." finalists Clay Aiken and Ruben Studdard respectively opened in top two slots that June. Underwood's song is first iTunes exclusive track to debut in the top 10.

One of three songs (No. 6 and No. 56 are the others) to debut from the "American Idol Gives Back" selections available exclusively on iTunes. Groban's original version peaked at No. 73 in April 2004.

Band's first Hot 100 appearance in nearly two years instantly becomes its highest-peaking song.

With 243,500 downloads, Maroon5's chart-topping song posts the third-best opening-week digital tally since Nielsen SoundScan began tracking sales in 2003.

MAROON5'S 'WONDER-OUS' MOVE

Maroon5 sets the mark for largest jump to No. 1 in the history of The Billboard Hot 100 as "Makes Me Wonder" soars 64-1 on the strength of a No. 1 debut on Hot Digital Songs (243,500 downloads). The rise surpasses the 52-1 jump by Kelly Clarkson's "A Moment Like This" in the Oct. 5, 2002, issue.

The band's first Hot 100 No. 1 is fairing exceptionally well at radio, moving into the top 10 (12-10) on Pop 100 Airplay while becoming the first song since Green Day's "Wake Me Up When September Ends" in October 2005 to hit the Adult Top 40 top five (6-5) in five weeks or less. —*Silvio Pietroluongo*

With a sixth straight week as the top airplay gainer, singer/songwriter/producer becomes first male solo artist to score such a streak since 50 Cent's six-week run with "Candy Shop" in early 2005.

Song jumps 11-8 on Adult Top 40, joining band's first single "It's Not Over" (No. 2) in that list's top 10.

The radio popularity of the Shop Boyz song at No. 61, which is not available digitally, spurs sales for this rapper's similarly titled and like-minded track (No. 60 on Hot Digital Songs).

Green Day debuts at No. 53 with one of the John Lennon covers from the forthcoming "Instant Karma: The Campaign to Save Darfur" album.

California rapper finds success at West Coast rhythmic stations and sells close to 8,000 digital downloads.

'IDOL' PAVES BON JOVI'S BEST BOW

Bon Jovi secures the highest Billboard Hot 100 debut of its 24-year career as "You Want To (Make a Memory)" takes Hot Shot Debut honors at No. 27.

The band's previous best opening was No. 34 for "This Ain't a Love Song" in the June 10, 2005, issue.

Both tracks are among seven debuts on Hot Digital Songs by Bon Jovi, joining one by Jon Bon Jovi after the band's "American Idol" appearances May 1-2.

"Memory" enters the digital chart at No. 15 with 51,000 sold and enjoys airplay success at multiple formats, ranking at No. 24 on Adult Top 40 and No. 41 on Hot Country Songs (after peaking there at No. 35). —*Silvio Pietroluongo*

Rapper's debut single becomes his first Hot 100 top 10. His inaugural album hits retail June 19.

Song returns to the Hot 100 top 10 and moves into the top 10 on Hot 100 Airplay. Also becomes her first top 10 on Adult Top 40.

With its tour launching May 11, the second most-played video on MTV2 and a 30% upswing in airplay, band sees digital sales climb by 13,000 units.

The first release from rap superstar's forthcoming "Curtis" album is his highest-debuting Hot 100 song to date as a lead artist.

Lifehouse's debut at No. 48 is the band's first appearance on the chart since its top five smash "You and Me" ended its decade-high 62-week run in April 2006.

T-PAIN DRINKS FROM NO. 1 CUP

Tallahassee, Fla., native T-Pain takes the Greatest Gainer/Airplay award for a seventh straight week as he moves to the No. 1 slot on The Billboard Hot 100 with "Buy U a Drank (Shorty Snappin')." The seven-week Gainer streak is the chart's longest since "Baby Boy" by Beyoncé featuring Sean Paul had an equal run in the Aug. 23-Oct. 4, 2003, issues.

Up 12 million in audience, "Drank" ups its total to 133 million impressions, giving it the No. 1 slot on Hot 100 Airplay for a second week. It also holds No. 1 for a third week on Hot R&B/Hip-Hop Songs and a fourth frame on Rhythmic Airplay. *—Silvio Pietroluongo*

Band's appearance on "American Idol" leads to digital sales bump, making it the first song to return to No. 1 since Mariah Carey's "We Belong Together" in [illegible]

Former "American Idol" finalist Elliott Yamin's return to that show almost quadruples digital sales spike (up 275%) for title at No. 31. Song is taking off at top 40 radio, too (No. 24 on Pop 100 Airplay).

At No. 33, Enrique Iglesias is back on the chart for the first time since the spring of 2002. This is his [illegible]

Former unsigned MySpace sensation, now with Universal Republic, makes chart debut, thanks to sales of 14,500 downloads.

Song becomes the first to jump into top three of Hot 100 Airplay from below No. 10 (12-3) since that chart expanded to all formats in December 1998.

HISTORIC CLIMB FOR UNDERWOOD

Carrie Underwood's former Hot Country Songs No. 1, "Before He Cheats," moves 11-8 on The Billboard Hot 100 in its 38th week, the longest climb to the top 10 in the chart's history.

The songs breaks the longevity mark of 36 weeks set by Creed's "Higher" in the July 8, 2000, issue. Unlike Underwood's trek, Creed achieved its total in two separate chart runs that were interrupted by a two-month absence.

"Cheats" originally peaked at No. 16 in November on the apex of its country airplay and dipped to No. 41 before top 40 play and digital sales turned it around. —*Silvio Pietroluongo*

Both artists are enjoying their fourth top 10s from their respective albums. His prior three have topped the chart, and she's had a pair of No. 1s alongside a No. 2.

Latest "Idol" winner posts the lowest first-week sales for a coronation song at 74,500 downloads. But this year's digital-only release competes with Sparks' multi-track EP (see Hot Box, page 65).

Seventeen-year-old Jamaican native makes maiden Hot 100 appearance with song that climbs 25-15 on Rhythmic chart.

Rihanna's 277,000 downloads for "Umbrella" at No. 1 falls just shy of the single-week mark of 295,000 that Fergie's "Fergalicious" set in the Jan. 13 issue.

Album release brings 230% digital spike. That and a 10% airplay jump propels Louisiana rapper into the chart's upper half for the first time as a lead artist.

RIHANNA'S 'UMBRELLA' OPENS WIDE

Rihanna rules The Billboard Hot 100 for the second time as 277,000 first-week digital sales spring "Umbrella" 41-1. The song, featuring Jay-Z, outpaces Shop Boyz' "Party Like a Rockstar," which leaps 51-2 while debuting on Hot Digital Songs at No. 2 with 173,000 downloads. Digital anticipation was high for both songs, as each rank in the top 10 of the Hot 100 Airplay chart. "Umbrella" has the highest debut-week sum since Nielsen SoundScan began tracking downloads in 2003, surpassing the 250,000 that "SexyBack" tallied in the Sept. 9, 2006, issue. —*Silvio Pietroluongo*

BIG MOVE FOR FERGIE'S 'BIG GIRLS'

Last issue we mentioned that Fergie scored the fourth straight Billboard Hot 100 top 10 from her debut solo album "The Dutchess" with "Big Girls Don't Cry." This week she moves 8-4 to take her achievement up a level as it is now four straight top fives.

"Cry" takes Greatest Gainer/Digital honors for a second consecutive week (127,000 sales, up 52%) and is the first back-to-back winner in that category since Beyoncé doubled up with "Irreplaceable' in the Nov. 25 and Dec. 2, 2006, issues.

Fergie also jumps on Hot 100 Airplay, 42-28, with a 35% audience gain.

Song's 12-spot jump on Adult Top 40 (33-21) is that chart's best move since Goo Goo Dolls' "Stay With You" charged 37-21 in the April 29, 2006, issue.

Title takes chart's biggest leap as rapper's album release finally places track in digital universe and on Hot Digital Songs (No. 13, [illegible]).

Heartthrob's biggest Hot 100 song in five years also marks his longest No. 1 stay on Hot Latin Songs—seven weeks—since 1997's "Solo en Ti" led for 10 frames.

Band is vying for its fourth straight Modern Rock top 10 with song that jumps 27-21 on that list.

Singer's rendition of John Lennon classic is the leading digital seller from the "Instant Karma" collection (14,000 downloads).

NEW LIFE FOR OLD JOURNEY HIT

The last scene of the "Sopranos" finale wakes up Journey's "Don't Stop Believin'," as the No. 9 Billboard Hot 100 title from 1981 re-enters Hot Digital Songs at No. 21 on 41,000 downloads (up 371%).

"Don't" peaked at No. 13 in August 2005, maxing at 21,000, when MTV's "Laguna Beach" and Fox's "Family Guy" both featured the song.

It is the oldest track in the Digital chart's history to see a 40,000-plus week, and the second-oldest to find the top 20. Johnny Cash's 1963 hit "Ring of Fire" rose to No. 18 in December 2005, as "Walk the Line" packed theaters.

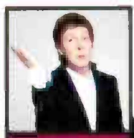
Timbaland leaps 40-18 as digital downloads double, reflecting the song's growth at radio where it takes the biggest percentage gain on Hot 100 Airplay (up 40%, 66-39).



While "Ever Present Past" climbs to No. 21 on Adult Contemporary, this track is the top digital seller from legend's latest set, thanks to his Apple commercial and video play on VH1.

Shreveport, La., teen takes the top debut on Hot Digital Songs (No. 27, 35,000 downloads) with track that resides in top 20 on Hot R&B/Hip-Hop Songs (No. 12) and Rhythmic (No. 17).

As their albums debut atop The Billboard 200, the White Stripes at No. 30 (45,000) and Bon Jovi at No. 39 (35,000) see the digital sales for their lead singles rebound to levels not seen since each title entered Hot Digital Songs.

NICKELBACK'S 'ROCKSTAR' PARTY

Nearly five months after last appearing on The Billboard Hot 100, Nickelback's "Rockstar" returns at No. 47, besting its prior peak of No. 54, achieved in the Jan. 13 issue. "Rockstar" was promoted to rock radio last fall and peaked at No. 4 on billboard.com's Mainstream Rock chart at

the same time the band's "Far Away" was the single of choice at top 40.

With "Rockstar" standing at No. 13 on Adult Top 40 and No. 40 on Pop 100 Airplay, the song is eligible to re-enter the Hot 100 because it surpasses the recurrent threshold of No. 50.

Songstress moves to the top of Hot 100 Airplay, her first No. 1 on that list.

Country superstar equals his all-time Hot 100 peak, established by 2002's "The Good Stuff." Song opens at No. 18 on Hot Digital Songs, and its 44,000 downloads dwarf artist's prior single-week best of 16,000 for "Summertime" in 2006.

Hannah or Miley? Of five Hot 100 tracks from the No. 1 album, the two best sellers belong to the TV character. (54,000 downloads and 53,000).

Reba McEntire, left, joined by Kelly Clarkson, debuts at No. 52 with "Because of You," from the recently premiered "CMT Crossroads." Clarkson's original version peaked at No. 7 in November 2005.

WHITE T'S DRESS UP DIGITAL CHART

Chicago's Plain White T's jump 4-3 on The Billboard Hot 100 and top Hot Digital Songs, as "Hey There Delilah" moves 146,000 downloads. The track continues climbing at radio: 19-14 on Hot 100 Airplay and 13-9 on Pop 100 Airplay. "Delilah" is Hollywood Records' best Hot 100 showing since

Jennifer Paige's "Crush" peaked at No. 3 in 1998. The last time the label had a top 10 hit on Pop 100 Airplay and a top 20 song on Hot 100 Airplay was when Kelly Clarkson's "Breakaway" and Jesse McCartney's "Beautiful Soul" each peaked in spring 2005.

Singer becomes first lead artist to notch four No. 1s on Pop 100, advancing 2-1.

Release of chart-topping album sparks 10% gain for lead single, which jumps 11-8 on Hot Digital Songs (62,000 sold). New track also arrives (18,000 units).

Fresh off July 8 MTV premiere of "Super Sweet 16: The Movie," Aly & AJ make chart's largest leap (77-48) with a 69% gain in digital sales (34,000 downloads). "Insomniatic" should bow in top 15 on next issue's Billboard 200.

It's a good week for songs titled "Like This," as both reach the top 40 at the same time (Nos. 30 and 36). Mims also hits top 10 on Rhythmic list (11-10).

Exactly one year after "SexyBack" entered Hot 100, sixth charting single from "FutureSex/LoveSounds" debuts at No. 85.

T-PAIN STIRS PAIR OF TOP 10 HITS

A toast to T-Pain, who becomes the first lead artist to place two simultaneous titles in The Billboard Hot 100's top 10 since Akon in the Feb. 3 issue.

"Bartender," coincidentally featuring Akon jumps 14-10, joining T-Pain's similarly themed former No. 1, "Buy U a Drank (Shawty Snappin')," in the chart's top tier (No. 5). "Bartender" is the second single from "Epiphany," which debuted at No. 1 on The Billboard 200 and Top R&B/Hip-Hop Albums. The song becomes T-Pain's fourth top 10 since "I'm Sprung" reached No. 8 in November 2005. *—Gary Trust*

Fort Myers, Fla., native's debut effort is one of three "Shawty"-titled tracks in the top 25. Title owns top debut on Hot Digital Songs (No. 20, 33,000 downloads).

Boston-based quartet, currently on the road as part of the Vans Warped tour, hits a new peak with its debut chart appearance. Album also hits new high (No. 65) on The Billboard 200 with its best one-week total (11,000).

T'S COUNT DOWN TO FIRST NO. 1

Plain White T's earn their first Hot 100 No. 1 as "Hey There Delilah" continues its staircase climb, stepping from No. 2. The song has progressed one place each week since it leaped 16-6 in the June 23 issue, the first time we have seen a 6-5-4-3-2-1 climb in the Nielsen Music-era.

"Delilah" holds No. 1 for a third week on Hot Digital Songs, but its sales slide (down 12%) for the first time in its 15 weeks on that list. The song's initial move into the top 10 on Hot 100 Airplay (11-9, 63.5 million audience impressions) offsets the loss in sales points. *—Silvio Pietroluongo*

Singer's apologetic tune is his best Hot 100 debut and ups his 2007 top 10 appearances to eight. Song opens at No. 4 on Hot Digital Songs with 102,000 downloads and will be one of four new tracks stripped onto an updated edition of "Konvicted" (due Aug. 28).

Although song dips because of a small loss in audience impressions, it should leap to the upper region of the chart next issue (possibly to No. 1) with release of digital single.

Singer/actor makes his first Hot 100 appearance since 2000 and joins daughter Miley on the list. She ranks at Nos. 65 and 72 as Hannah Montana.

John Travolta and Queen Latifah are among the six members of the "Hairspray" cast that debut at No. 88. He was last on the list in 1978 with "Greased Lightnin'," she in 1998 with "Paper."

THAT 'TIME' AGAIN

The "High School Musical 2" onslaught begins, as cast single "What Time Is It" debuts at No. 6 on The Billboard Hot 100, while entering Hot Singles Sales at No. 1 and Hot Digital Songs at No. 25. The "HSM2" album hits retail Aug. 14, and the movie premieres Aug. 17 on Disney Channel. "High School Musical" spawned nine Hot 100 singles in early 2006, with eight tracks debuting in one week.

"Time" sells 87,000 physical singles and 31,000 downloads. The physical tally is the most for that format since Taylor Hicks moved 190,000 units of "Do I Make You Proud" in the July 1, 2006, issue. —*Silvio Pietroluongo*

Song is the fifth this year to move more than 20 spots to No. 1. Only two made such leaps in all of 2006.

Kanye West has the Hot Shot Debut at No. 47. Song samples Daft Punk's "Harder, Better, Faster, Stronger," which peaked at No. 3 on Hot Dance Club Play in 2002.

A nearly 50% digital bump to 35,000 downloads pushes artist's debut song into chart's top 20.

Singer soars to a new peak with one of the radio-driven songs to benefit from Hot 100's new formula. Tune is No. 16 on Hot 100 Airplay but has never appeared on Hot Digital Songs.

With an 11-10 jump at Adult Top 40, all three of the band's entries on that 11-year-old chart have reached the top 10.

KINGSTON TOPS REVAMPED HOT 100

Sean Kingston moves to the top of The Billboard Hot 100 with his first charting single as "Beautiful Girls" bounces 23-1. In the first week of our new Hot 100 formula (see Over the Counter, Aug. 4), the influence of digital sales remains strong, as "Girls" debuts at No. 1 on Hot Digital Songs with 260,000 sold. That marks the second-highest sum for a new Hot Digital Songs entry, trailing Rihanna's "Umbrella," which opened with 277,000 downloads (June 9). Both were in Hot 100 Airplay's top two before their digital releases.

WEST FLIES NORTH ON HOT 100

Reflecting the anticipation for Kanye West's third album "Graduation," due Sept. 11, lead single "Stronger" soars 47-6 on The Billboard Hot 100. In its first full week of sales, the title surges 30-2 on Hot Digital Songs with 143,000 downloads, West's second-best weekly sum: Former No. 1 "Gold Digger" moved 147,000 on the Jan. 14, 2006, chart. "Stronger" rises to No. 40 on Hot 100 Airplay (29 million audience impressions) and Pop 100 Airplay. It is West's fourth visit to the top 10 and first since "Gold Digger," which reigned for 10 weeks.

Song is first to top Hot 100 Airplay without appearing on Hot R&B/Hip-Hop Songs since Shakira's "Hips Don't Lie" in May and June of 2006.

Finger Eleven's song at No. 57 tops Modern Rock in its 26th week on that list, the second-longest climb in history behind 27-week rise by 10 Years' "Wasteland," which reached No. 1 in February 2006.

Singer rebounds to new Hot 100 peak while moving to No. 25 on Adult Top 40 chart.

At No. 93, Will.i.am joins Black Eyed Peas cohort Fergie on Hot 100 for his first charting effort as a lead artist.

Star's emotional recording, from his Academy of Country Music performance in May, is his best Hot 100 debut as a lead artist since "It's Your Love" opened at No. 36 in May 1997. First-week sales (No. 24 on Hot Digital Songs, 33,000) is main catalyst for the quick start.

HIGH 'TECH' LAUNCH FOR 50 CENT

50 Cent cops his best Billboard Hot 100 debut as a lead artist with the No. 22 arrival of "Ayo Technology." The title surpasses his prior best start, which occurred when the first single from his upcoming "Curtis" set, "Straight to the Bank," debuted at No. 32 in the May 26 issue.

Unlike "Bank," "Technology" receives substantial multiformat play and jumps 72-54, surpassing the earlier track's peak on Hot 100 Airplay.

Another "Curtis" track, "Amusement Park," failed to reach Hot 100 Airplay, while the album's "I Get Money" moves to No. 29 on Hot R&B/Hip-Hop Songs and debuts at No. 73 on Hot 100 Airplay. —*Silvio Pietroluongo*

Song hits six-digit weekly download mark (101,000), rising 8-3 on Hot Digital Songs while also soaring to top of Hot Ringmasters list (4-1).

Group's appearance on highly rated "Hannah Montana" episode, which followed Disney Channel's "High School Musical 2," gives song a 165% digital boost. More TV time set for NBC's "Miss Teen USA" (Aug. 24) and CBS' "U.S. Open Arthur Ashe Kid Day" (Aug. 26).

Track moves 13-10 on Pop 100, giving superstar his fifth top 10 from "FutureSex/LoveSounds" on that list.

MTV exposure pushes band's album to its best ranking on The Billboard 200 and brings this song back to Hot 100 at a new peak.

Though past its radio peak, Gym Class Heroes' track at No. 46 debuts after finally getting freed from its album-only digital-purchase option. Opens at No. 18 (47,000 downloads) on Hot Digital Songs.

Rapper climbs into the top three and powers to No. 1 on Hot Digital Songs (135,000), one week removed from the two-year anniversary of his ascension to No. 1 on both lists with "Gold Digger."

Recent video premiere—it is No. 2 this week at VH1—and strong radio play lead to 14-7 jump on Hot Digital Songs (75,000 downloads, up 37%).

While "HSM2" album sales dip by 40%, its nine songs that dot this chart see an aggregate digital download increase of 18%.

Although Timbaland slides to No. 4 on the Hot 100, he claims his second straight No. 1 as a lead vocalist with "The Way I Are" (at the top 50).

With help from Kelly Clarkson, Reba McEntire has her best placement on Hot 100 Airplay (No. 28) with song that jumps 56-53 on this list.

FERGIE JOINS AGUILERA'S CLUB

Fergie becomes the first female artist since Christina Aguilera in 2000 to score three Billboard Hot 100 No. 1s from one album as "Big Girls Don't Cry" jumps 2-1. The other chart-toppers from "The Dutchess" were "London Bridge" in August 2006 and "Glamorous" in March. "Fergalicious"

topped out at No. 2 in January. Fergie's song also moves to No. 1 on Adult Top 40, ending a 52-week reign by male acts, and jumps 12-10 on the Rhythmic chart. It is the first Rhythmic top 10 to crown the Adult Top 40 chart since Ricky Martin's "Livin' La Vida Loca" in 1999. —*Silvio Pietroluongo*

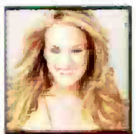
Interscope is the first label since IDJMG in September 2005 to post back-to-back Hot 100 chart-toppers and the only one this year to place three top five tracks in the same week.



Her No. 6 opening on Hot Digital Songs (71,000) prompts second-best Hot 100 jump of 2007 behind Beyoncé & Shakira's 94-3 move with "Beautiful Liar" in March.

Garth Brooks' record-breaking No. 1 debut on Hot Country Songs enters this chart at No. 73 and equals his best rank on the 9-year-old Hot 100 Airplay list with a 69-36 jump.

Song holds at No. 7 on Adult Top 40 after recently becoming just the eighth title to reach that chart's top 10 in three weeks or less.

Rapper, who has four No. 1s and 12 top 10s to his Hot 100 credit, claims his best debut.

SOULJA BOY 'CRANKS' FIRST NO. 1

At just 17, rapper/producer Soulja Boy marches to the top of The Billboard Hot 100 with his debut single, "Crank That (Soulja Boy)." The song posts the week's best digital gain (144,000 downloads, up 22,000), bumping Kanye West's "Stronger" from the top of Hot Digital Songs. "Crank" spends

its second week inside the Hot 100 Airplay top 10 (9-7) with an increase of 8.5 million listener impressions.

Soulja did the song and its signature dance on MTV's "TRL" and BET's "106 & Park" Aug. 27, and is set for MTV's Sept. 9 Video Music Awards. —*Silvio Pietroluongo*

MATCHBOX TUNE LIGHTS UP HOT 100

Matchbox Twenty makes the second-biggest jump of 2007 on The Billboard Hot 100 as "How Far We've Come" soars 81 spots to No. 12. It is the band's best showing since "Unwell," from its last studio album, peaked at No. 5 in July 2003. "Far" holds at No. 7 on Adult Top 40 and opens at No. 3 on Hot Digital Songs with 94,000 downloads, Matchbox Twenty's first appearance in the chart's two-and-a-half-year history. The biggest jump this year, and in the history of the Hot 100, was the 91-spot improvement by Beyoncé & Shakira's "Beautiful Liar" in the April 7 issue.—*Silvio Pietroluongo*

Track is first to lose the No. 1 slot while earning Airplay Gainer honors since "Bills, Bills, Bills" by Destiny's Child did so in the July 24, 1999, issue.

Artist of the week becomes first to move into Hot 100 No. 1 slot while also claiming Hot Shot Debut honors since Rihanna did so in last year's May 13 issue.

Rapper places two songs in the top 20 as digital spike, resulting from his album's release, pushes this track and the Greatest Gainer/Digital winner up the list (19-5).

Group returns to the chart two years to the month after the Boys' last debut with leadoff track from "Unbreakable," due Oct. 30.

On its second go-around as a single, Pink's "Who Knew" makes the top 10 (14-9). Song was first worked to radio in the summer of 2006.

HOT 100 ADDS TO WEST'S BIG WEEK

Not to be lost in all of the hoopla surrounding Kanye West's victory atop The Billboard 200 with "Graduation" is his second Billboard Hot 100 No. 1 as a lead artist with "Stronger," the lead single from that set. It's his third chart-topper overall.

As is the case with most big tracks, the release of the parent album spurs digital sales, moving "Stronger" back to the top of Hot Digital Songs, where it last resided three issues ago (205,000, up 31%).

That sales surge made the difference, as only 342 chart points separate "Stronger" from Soulja Boy's "Crank That," the chart's closest race since the Feb. 10 issue. —*Silvio Pietroluongo*

SOULJA 'CRANKS' RETURN TO NO. 1

Soulja Boy returns to the top of The Billboard Hot 100 and Hot Digital Songs with "Crank That (Soulja Boy)" as digital sales for Kanye West's "Stronger" settle after his big album bow.

With its best digital week yet (183,000 sold), "Crank" is the second song this year to return to the top spot on The Billboard Hot 100, following Maroon 5's "Makes Me Wonder" in the June 2 issue.

"Stronger" gets Greatest Gainer/Airplay as it is pushed to No. 2, just one week after "Crank" became the first song since 1999 to take that award while dropping from the No. 1 slot.

Song previews '07 "American Idol" winner's self-titled debut album, due Nov. 20.

iPod Nano TV spot brings second straight digital gainer award (up 75% to 128,000 downloads), pushing song into top 10. Airplay starting to come along with 1.9 million impressions (up 65%).

Post-release digital decline causes drop in rank, but rapper becomes first lead artist since Nelly in July 2002 to take successive Greatest Gainer/Airplay honors with two different songs. "Stronger" claimed the award last issue.

Timbaland surges 22-6 to earn the third top 10 from his solo debut album. Track has largest audience gain on Pop 100 Airplay (up 7.5 million impressions) and jumps 10-5 on Hot Digital Songs (up 75%).

With an 11-8 jump on Modern Rock, song becomes band's fourth top 10 on that list and first since "Remedy" peaked at No. 5 in July 2005.

SPEARS SOARS WITH DIGITAL SALES

Amid the drama of her personal life, Britney Spears' career delivers some good news: "Gimme More" opens at No. 1 on Hot Digital Songs (179,000 downloads) and flies 68-3 on The Billboard Hot 100.

"More" is her fifth Hot 100 top 10 and her best showing on the list since her smash debut, ". . . Baby One More Time," hit No. 1 for two weeks in January 1999. Her last top 10, "Toxic," peaked at No. 9 in 2004. At radio, the song reaches a new one-week high of 28.9 million impressions (No. 52 on Hot 100 Airplay) and jumps 17-14 on the top 40 stations-driven Pop 100 Airplay. —*Silvio Pietroluongo*

WEST GETS YEAR'S BEST RADIO LIFT

Kanye West takes the Greatest Gainer/Airplay award for a second straight week as "Good Life" rebounds 18-10 with a gain of 25 million listener impressions, the largest audience jump of 2007. With "Stronger" holding at No. 2, West joins Timbaland with two tracks in The Billboard Hot 100's top 10. Timbaland jumps

6-4 with "Apologize," while "The Way I Are" dips to No. 5.

This marks the first time a pair of lead artists hold simultaneous top 10s since Mariah Carey and Bow Wow in September 2005, and the first time two male acts have done so since 50 Cent and the Game in April 2005. —*Silvio Pietroluongo*

Californian is the first new female lead artist to hit the Hot 100's top five since Fergie in August 2006. Video for track is among five most-played at VH1.

Country starlet returns to the Hot 100 for the first time since the spring of 2006, as her last two Country top 40 hits failed to make this list. Digital track hits market alongside album release and moves 13,000 downloads.

Song moves 14-13 on Hot 100 Airplay. Next issue, sales from Oct. 16 digital release should move Brown into this chart's top 10.

Fergie's debut at No. 91 is the fifth track from her solo debut album to hit the chart. Three of the four prior songs reached No. 1, and the other topped out at No. 2.

Connecticut-based quintet makes chart debut and posts its best digital sales week (15,000). Band is featured act on current MTV2's "The Drop."

TIMBALAND LIFTS ONEREPUBLIC HIT

Timbaland lends a hand to labelmate OneRepublic, the five-man Colorado band now based in Los Angeles. The artist/songwriter/producer's remix of the group's "Apologize" inches 4-3 on The Billboard Hot 100 with Greatest Gainer/Digital honors as it improves by 19,000 downloads, shifting a total of 133,000 for the week.

OneRepublic's self-titled debut album, due Nov. 20, is expected to include the original and remixed versions of "Apologize." Lead singer Ryan Tedder also enjoys a chart run as a co-writer on Jennifer Lopez's "Do It Well," which jumps 50-31. —*Silvio Pietroluongo*

Band previews upcoming B-sides collection with cover of Joy Division track that also appears on soundtrack to "Control," the biopic of legendary band's Ian Curtis.

While Alicia Keys holds at No. 4 on this list, she earns her third Hot 100 Airplay No. 1, along with the week's best audience gain (up 20 million impressions).

BIG 'KISS': BROWN TOPS DIGITAL

Chris Brown's "Kiss Kiss" opens at No. 1 on Hot Digital Songs with 159,000 downloads and jumps 22-2 on The Billboard Hot 100, thanks to its new-found digital availability.

This is the second song from Brown's "Exclusive" album, due Nov. 6, to hit radio, but the first to be sold digitally. "Wall to Wall" peaked at No. 43 on Hot 100 Airplay but stalled at No. 79 on the Hot 100 without digital sales.

Brown's last digital top 10 came when debut song "Run It!" peaked at No. 3 in November 2005, hitting a weekly high of 120,000 downloads following Christmas week. —*Silvio Pietroluongo*

Song is her sixth top 10 since 2005, the year she debuted. She equals Ciara for most by a female artist in that time.

Current No. 1 on Hot Latin Songs is the Spanish crooner's best Hot 100 showing of his career (see story, page 54).

Michael Jackson's "Thriller" is the top-selling Halloween-themed title on Hot Digital Songs for a fourth straight season, re-entering at No. 38 with 21,000 downloads.

A bump of 3 million listener impressions lifts Garth Brooks to his best Hot 100 Airplay rank (No. 33) and his highest Hot 100 placing (No. 54) since "Wrapped Up in You" hit No. 46 in 2001.

His third Adult Top 40 top 10 (No. 8) from "Continuum" extends his mark for most top 10s among males at that format to eight.

'KISS' AND TELL: BROWN HITS NO. 1

Chris Brown claims his second Billboard Hot 100 No. 1 as "Kiss Kiss" climbs 2-1 with Greatest Gainer/Digital and Airplay awards.

With an improvement of 16.5 million audience impressions and 28,000 downloads, "Kiss" becomes the first song to take both Gainer awards since T-Pain's "Buy U a Drank (Shawty Snappin')" in the April 28 issue. Brown last topped the chart with debut single "Run It!" in November 2005.

The audience surge blows "Kiss" 9-3 on Hot 100 Airplay with 95 million impressions. Its sales growth puts it at No. 1 on Hot Digital Songs (187,000 units). —*Silvio Pietroluongo*

FINGER ELEVEN FINGERS BEST RANK

Canadian quintet Finger Eleven establishes a career-best ranking on The Billboard Hot 100 as former No. 1 Modern Rock track "Paralyzer" moves 18-14.

The track takes Greatest Gainer/Digital honors with an improvement of 17,000 downloads to shift 56,000 for the week, moving 14-11 on Hot Digital Songs. The band's only other Hot 100 appearance was in 2004 when "One Thing" peaked at No. 16.

"Paralyzer's" surge is due to increased top 40 airplay, which also propels the band's "Them Vs. You Vs. Me" back up The Billboard 200 (92-87).

As a featured artist on four top 10 tracks, T-Pain becomes first artist since 50 Cent in 2005—who was the lead on two tracks and featured on another two—to dominate the top 10 in such a manner.

Lifehouse's track at No. 61, available exclusively as a digital single, was recorded for, and is featured in, new Allstate Insurance ads touting safe driving for teens.

Performed on the Country Music Assn. Awards telecast, song shifts 46,000 downloads (up 80%) and is one of four titles she places on Hot Digital Songs, including two new tracks from her rereleased album.

Song posts the third-most combined streams (750,000) on AOL and Yahoo, and brings reunited act back onto the list for the first time since 1999.

KPWR Los Angeles night jock cuts his production chops on all-star collaboration, which opens on Hot Digital Songs at No. 27 with 35,000 downloads.

NICE RIDE FOR ROOKIE FLO RIDA

Sunshine State newcomer Flo Rida soars into the top 10 with "Low" (64-6) as first-week digital sales of 131,000 downloads bring it on Hot Digital Sales at No. 3. Nearly 25% of that total was purchased in the Southeast, where he has built a considerable following.

With an album not scheduled for release until first-quarter 2008, "Low," which features T-Pain, is part of a three-song digital EP.

The track also moves into the top 10 on the Rhythmic chart (13-8) with the format's largest spin gain (up 506) and jumps 45-40 on Hot 100 Airplay with a 20% audience bump.

Singer is first female artist since Paula Abdul in 1989 and 1990 to take five songs from a debut album into the top 10.

Brazilian band CSS steams up the chart at No. 63 with song featured in new iPod touch commercial. Download gain of 22% places it at No. 25 on Hot Digital Songs.

At No. 54, Celene Dion returns to chart for the first time since 2003's "I Drove All Night" and nine years to the week that her last No. 1, "I'm Your Angel" with R. Kelly, hit the top.

At No. 97, Danish DJ Enur brings dance label Ultra back onto the list for the first time since 2004 with song that jumps 16-7 on Hot Dance Airplay.

Newcomer recovers nicely from his work in failed Fox reality soap "Nashville" with debut single that is also No. 20 on Hot Country Songs.

NO. 1 FOR KEYS' 'NO ONE'

Alicia Keys earns her third No. 1 on The Billboard Hot 100 as the debut of her album "As I Am" atop The Billboard 200 prompts an 88% jump in digital sales to 210,000 downloads for leadoff single "No One."

With a 5-1 move on Hot Digital Songs, the track completes the No. 1 trifecta as it maintains its lead on Hot 100 Airplay for a fifth week with 170 million audience impressions.

Keys topped the Hot 100 with her debut single, "Fallin'," in summer 2001 and was last at No. 1 with "My Boo," her duet with Usher, in late 2004. Both tracks spent six weeks at No. 1. —*Silvio Pietroluongo*

Song's 22-10 ascent on Hot 100 Airplay is that chart's largest jump into the top 10 since Nelly's "Dilemma" (24-7) in July 2002.

The debut of seasonal tracks at Nos. 86 and 89 prompts a reminder that only newly released holiday songs are eligible to chart on this list and other radio-influenced charts, except for Hot Holiday Songs (page 94), which ranks all seasonal titles, regardless of release date.

Singer's "Before He Cheats" drops off Hot 100 after 64 weeks, which is third-best of all-time. This song is her third to hit the chart since "Cheats" debuted in September 2006.

While her Michael Jackson-sampled track debuts, she returns to the top 10 (12-9) with "Hate That I Love You" and steers "Shut Up and Drive" to No. 1 on Hot Dance Club Play.

CAILLAT, BROWN SPREAD HOLIDAY CHEER

Colbie Caillat and Chris Brown place this season's first two Christmas tracks on The Billboard Hot 100 with "Mistletoe" (No. 86) and "This Christmas" (No. 89), respectively. While both tracks are beginning to garner airplay at each artist's established formats, the main push onto the list is from digital sales. Caillat's original composition debuts on Hot Digital Songs at No. 42 (23,000) while Brown's remake of Donny Hathaway's 1970 classic, which is featured in the movie of the same name co-starring Brown, opens at No. 58 (18,000). —*Silvio Pietroluongo*

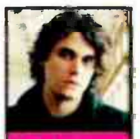
Rapper is the fourth lead artist of 2007 to take his debut single to the top of Hot Digital Songs. Mims, Sean Kingston and Soulja Boy Tell'em are the others.

Trio's song waits patiently in the runner-up slot for a fifth week at Modern Rock behind the Foo Fighters' "The Pretender," which has now led for a record-tying 16 weeks.

With two weeks to spare, Snoop Dogg extends his streak of having at least one song chart per year to 10. That run began with 1998's "Still a G Thang."



Song from upcoming Jack Nicholson/Morgan Freeman film "The Bucket List" was also added to the recent special edition of his "Continuum" album.

Title that peaked at No. 2 on Hot Country Songs re-enters Hot 100 due to its surge at top 40 and adult stations. It moves up to No. 25 on Hot 100 Airplay and Adult Top 40, and is the top spin gainer on the latter list.

SIX-PACK MARKS TIMBERLAKE FEAT

Justin Timberlake's duet with Beyoncé, "Until the End of Time," scoots 33-17 to a new Billboard Hot 100 peak, giving the multifaceted artist his sixth top 20 from "FutureSex/LoveSounds."

He is the first male artist to score that many top 20s from one set since George Michael in 1987-88 with songs from "Faith." The Beyoncé-enhanced "Time" is one of three remixed tracks on the special edition of Timberlake's album, released Nov. 27. That triggers the duet's first ink on Hot Digital Songs (No. 27, 25,000) and the main catalyst for its Hot 100 jump. —*Silvio Pietroluongo*

CAREY CARRIES CHRISTMAS SPIRIT

Mariah Carey's 1994 holiday hit "All I Want for Christmas Is You" moves 10-8 on Hot Digital Songs. Ever since the chart's 2005 launch, the track has made the top 10. Its 60,000 downloads are a one-week high for the track, as is the 38 million audience impressions it garners. "All I Want" is also No. 5 on billboard.com's Hot Holiday Songs.

If "All I Want" was eligible for The Billboard Hot 100—only holiday songs released for the first time this season can qualify for singles chart status—the song would rank at No. 13. —*Silvio Pietroluongo*
